

Centennial High School

Dear Parents/Guardians,

It is with great enthusiasm that I invite you to Centennial High School's 8th Grade Orientation in our Auditorium on Tuesday, January 10th at 7pm. We hope to share with you that evening valuable information that will be a FIRST step in orienting you to our school. Please note this is the one of several orientation programs we will hold for you and your children so that we make the transition to high school a successful experience for all.

Freshman year is one of many important beginnings, not the least of which is the ignition of your student's high school career. The first step is to place students in the correct courses. With correct placement, we feel confident that each incoming ninth grader will be able to make a valuable contribution to the Centennial High School family.

Please plan on being in attendance for our orientation program. We will start the evening with an informative session in our auditorium. We will provide you with valuable information and resources. Following the session we will break out to our cafeteria where you can meet with our department leaders and other teachers to answer individual questions.

I look forward to seeing all of you at Centennial High School on January 10th 2012.

Sincerely,

*Kevin Dorsey
Assistant Principal, Centennial High School*
